The Tariff and Transportation Regulations of the ENGADIN St. Moritz Mountain Pool shall apply.

Age categories

Children under the age of 6 (ID required) travel free of charge if accompanied by a parent. Exceptions to this rule are the areas of Aela, Cristins, Provulèr, San Spiert/Languard, Survih, Müsella and Bügls. Children aged between 6 and 12 (ID required) pay the children's tariff. Adolescents aged between 13 and 17 (ID required) pay the adolescent tariff. From the age of 18, the adult tariff applies.

The date on which the ticket is issued governs the allocation to an age category. Exception: If, in the case of 2 and 3-year season tickets, the next higher age category is going to be reached while the ticket is valid, the higher price is already charged when the ticket is sold. Example: If a 12-year-old child wants to buy a 2-year ticket before his 13th birthday, the tariff for adolescents will already be applied.

A valid identity document or card with a photo must be available to show to the mountain cableway staff if requested.

Group discounts

From 15 tickets at the **adult, adolescent and children's tariff, a group rebate of 10% is granted**. The tickets must be valid for the same period and from the same date onwards. There is only entitlement to the rebate if all the tickets are ordered 24 hours in advance in writing from the issuing counter of the mountain cableways.

ENGADINcard (data-carrier for tickets)

The ENGADINcard is issued for a price of CHF 10.-. The datacarrier (ENGADINcard) can only be given back if the card is neither signed nor damaged and is returned within 72 hours after expiry of the reserved ski ticket. Otherwise, the ENGADIN St. Moritz Mountain Pool is no longer obliged to take back the card against a refund.

No refund for ski tickets in cases of poor weather or snow conditions, loss, departure, breakdown or non-operation of lifts and facilities. On the facilities at the "family spots", a charge can also be levied for children aged under 6.

Prices are quoted in CHF. Subject to changes
